Sir:

In response to the Office Action dated December 19, 2002,
please amend the above-captioned application as follows:

IN THE CLAIMS:

Kindly cancel claims 1-7 without prejudice or disclaimer and
add the following new claims:

--8. A base station apparatus comprising:

a first notifier that notifies a control station apparatus of
first information to the effect that a communication terminal
apparatus is performing a diversity handover;

a second notifier that notifies the control station apparatus
of second information to the effect that a position detection is in
progress;
